

INDUSTRY PLEDGE

As a member in good standing of the National Candle Association, we pledge:

- To promote the manufacture of candles and candle products in accordance with recognized industry standards and practices.
- To promote the safe and proper use of candles and candle products.
- To pursue product excellence through quality formulations, testing and prudent manufacturing processes.
- To foster technical advances and innovation in candle making.
- To uphold consumer confidence through a commitment to product quality and corporate responsibility.
- To foster and safeguard a fair and responsible marketplace.
